D

WE SAY "YES, LORD, WE WILL RIDE"

He has a crown on his head
He carries a scepter in his hand
And he's leading the armies across this land
And he's calling out to you and me?
Will you ride with me?
We say, "Yes, yes Lord
We will ride with you"

That fire in his eyes is his love for his bride
And he's longing that she be with him
Right by his side
That fire in his eyes is his burning desire
That his bride be with him, right by his side
And he's calling out to us right now,
"Will you ride with me?"
